

MAN: I'm bored...

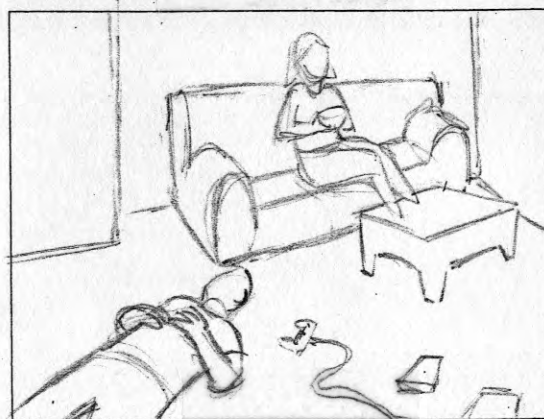

GIRL: Let's play a game. If you had to pick 3 people from work, fuck one, kill another, and marry the third, who would you pick?

The guy holds out three fingers and thinks about it.

MAN: One to kill, one to fuck, and one to marry?

GIRL: Who would they be?

MAN: Umm... well... I'd kill Travis. That's easy. He doesn't deserve to be in management... I'd fuck...

MAN: You're not going to be mad at me for this, are you?

GIRL: No.

MAN: It's not some kind of trick...

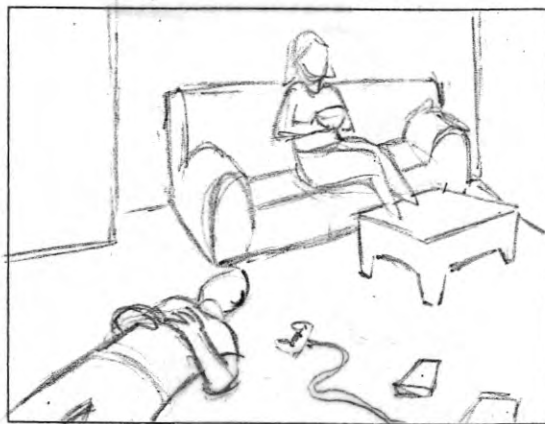

GIRL: Who would you fuck?

The girl finishes her bite of ice cream, ready with her answer.

GIRL: First, I'd marry Chris Norton, he's the executive director right under the CEO

MAN: I guess Heidi... and I'd marry Sarah.

GIRL: Why?

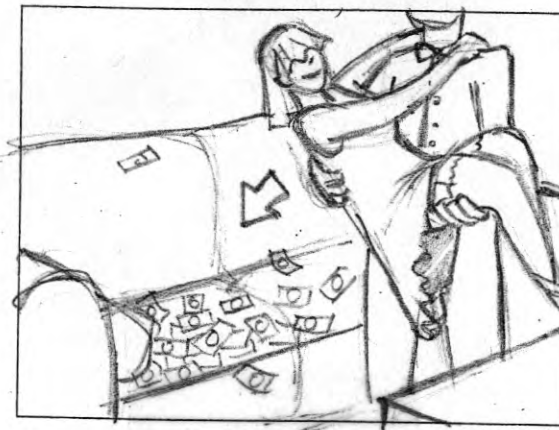

MAN: There are only two attractive girls at work, and Heidi's a ditz. I wouldn't want to marry her.

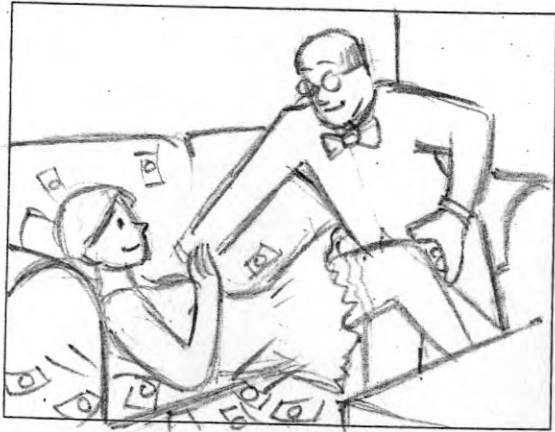

GIRL: ...and he's almost ready to retire. He has millions in savings and no kids.

MAN: What about you?

I'd make sure there isn't a pre-nup.

GIRL: Then I'd fuck John Heinz in shipping.

GIRL: Then I'd fuck John Heinz in shipping.

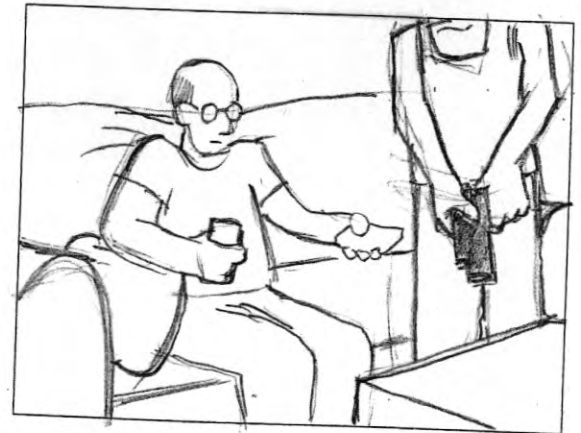

GIRL: He has a criminal history. I'd have an affair with Chris and convince John to murder my husband so we could be happy together.

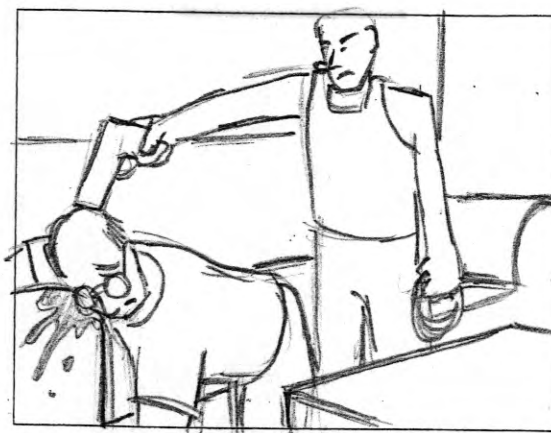

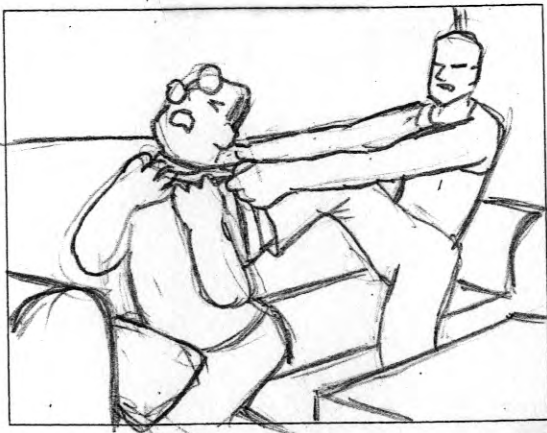

He'd do it.

He'd do it.

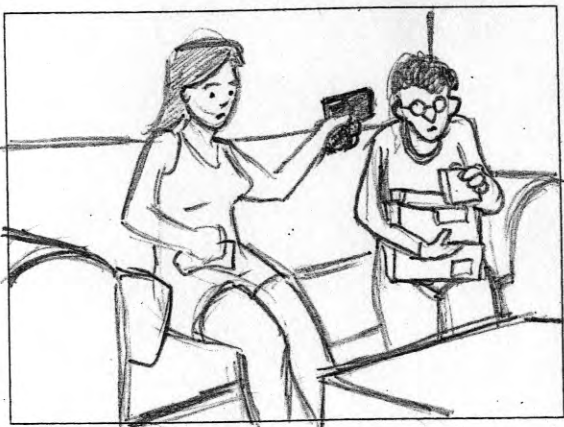

He'd do it.

GIRL: I'd inherit Chris' savings...

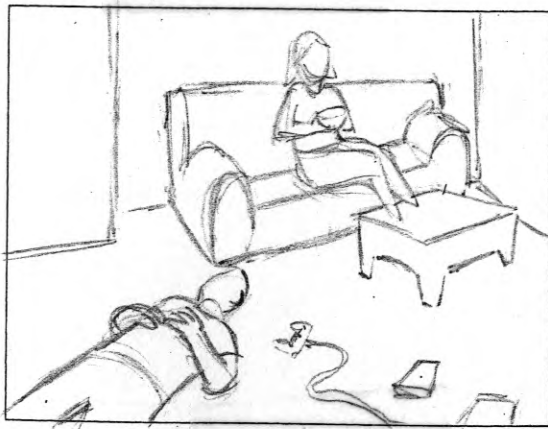

...*THEN* I'd kill Steven Wallace, also in shipping,

...framing John for the death so he's incarcerated...

GIRL: ...leaving me with the money and freedom to be single and fuck whoever I wanted.

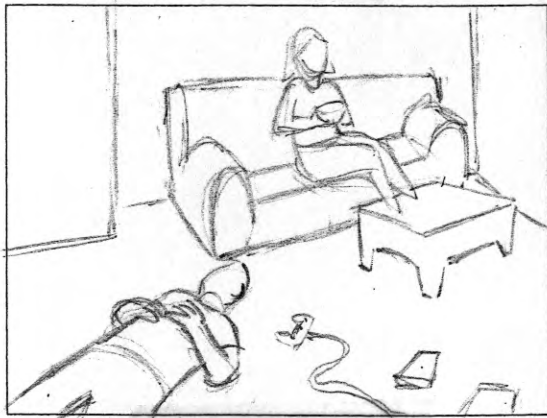

The guy stares at the ceiling, shocked; then turns to the girl.

MAN: You've thought about this, huh?

The girl shrugs her shoulders.

MAN: I don't like this game.
